

World Congress on Snow and Mountain Tourism

Activities - Andorra, 13 March, 2020

Introduction

With the aim of enjoying Andorra 100%, we offer you a series of activities so that you can get in touch with nature in the most authentic way.

Please reserve the activities that best suit your preferences before 14 February, 2020.

1. Technical Visit 1: Casa de la Muntanya, Ordino

time: 1h 30m approx.

capacity: 20 people max.

meeting point: The Government of Andorra Building, Prat de la Creu 62-64

Casa de la Muntanya is a space designed to promote, publicise and reserve tickets for sports or mountain tourism activities. The aim will also be to create new activities that strengthen this sector. This visit will have a training focus and will reinforce the joint work done by companies in the mountain area, official agencies and research and innovation organisations.

2. Recreational activities in Canillo:

time:	two hours during the morning and an hour and a half during the afternoon
capacity:	subject to availability
meeting point:	Government of Andorra Building, Prat de la Creu 62-64

In Canillo, you will be able to do varied recreational activities. In the morning, you can choose between snowshoeing, sliding down a slide or descending on a big zip-line (choose only 1 activity). In the afternoon, you can't miss the opportunity to go to the Roc del Quer and enjoy the impressive views of the whole Parish of Canillo.

Magic Gliss

Magic Gliss is a luge toboggan of 555 meters downhill and 180 meters uphill. This ride can reach speeds of 40 km/h. An opportunity to have fun and experience adrenaline in the midst of nature. This activity is accessed via the Canillo cable car.

Zip-line

The zip-line is located at Mont Magic in Canillo. It is 550 meters long, 40 meters high and reaches speeds of up to 80 km/h. It's an opportunity to enjoy the best views over Lake Forn and experience an adrenaline rush amidst nature.

Snowshoeing

Snowshoeing tour in the Canillo sector to discover snowy paths and frozen lakes in a different way. A unique itinerary on snowshoes.

Equipment not included. Snowshoeing circuit without guide. Duration: one hour approximately.

Roc del Quer lookout

It is a 20-meter-long walkway: 8 meters are on terra firma, but the next 12 are combined with the scenery. This part of the walkway has an overhanging platform suspended in the air, so you'll believe that you are floating and flying in the air.
