

THE RISE OF THE RESPONSIBLE TRAVELLER

Why Now is the Time for
Action on Sustainability

Leigh Barnes | *Chief Customer Officer*

Acknowledgement of country

Intrepid Travel acknowledges Traditional Owners of Country throughout Australia and recognises their ongoing connection to lands, waters and communities. We pay our respect to Aboriginal and Torres Strait Islander Elders past, present and future, and support the continuation of cultural, spiritual and educational practices.

Travel can only

rebound stronger

if it rebuilds

responsibly

**We can't have a
healthy travel sector
if we don't have a
healthy planet.**

**Our customers
have changed,
we need to meet
their expectations.**

A photograph of four young women smiling and posing together. The woman in the center is wearing a dark blue hijab and holding a sign that says "B the change". The sign is red with a white border and a white "B" in the center. The background is a red wall with a doorway. The image is framed with a white border that has a curved top-left corner.

Change starts from within.

**Changing
product to
adapt to
the times.**

The future is

regenerative
